# Chicago Commitment: Brief Overview

MacArthur  
Foundation

**Goal:** We invest in people, places, and partnerships to advance racial equity and build a more inclusive Chicago.

**Culture, Equity  
and the Arts**

**Vital  
Communities**

**Civic Partnerships**

**Advancing Leadership**

# Becoming Culture, Equity and the Arts

## MacArthur's "direct" CEA grantmaking program:

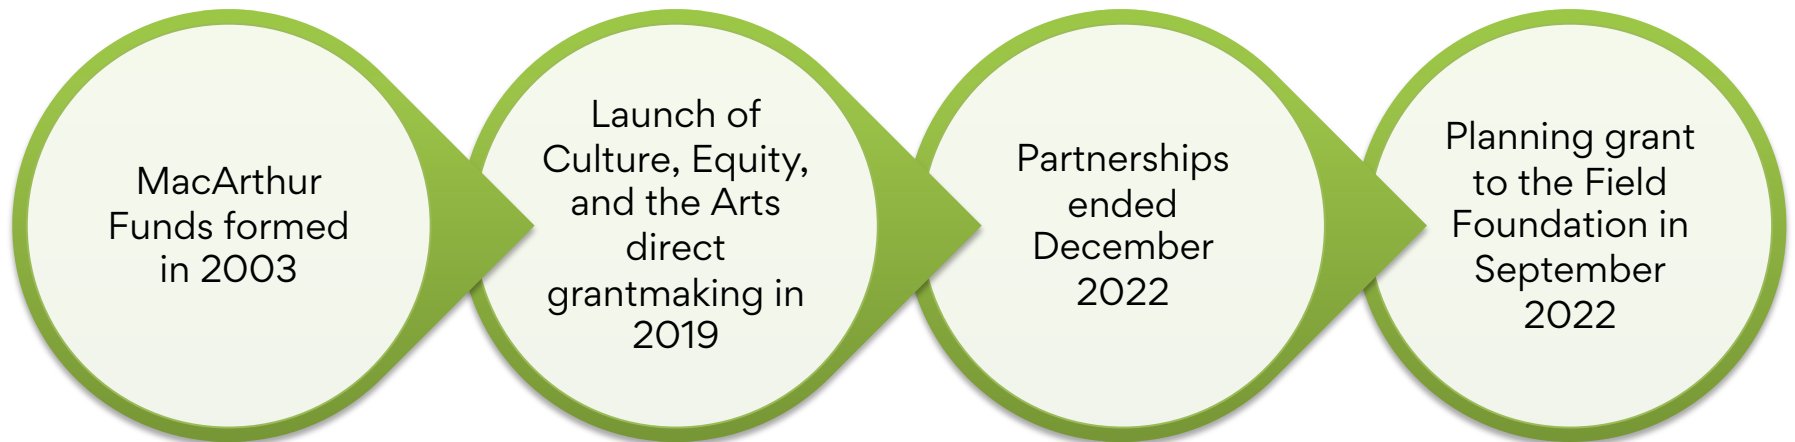

- Expands focus on racial equity
- Uses a participatory process to make funding recommendations
- No longer bases grant award amounts on the size of the grantee organization's annual budget size

## Perspectives

- [A Work in Progress: Participatory Grantmaking in the Arts](#) (March 2020)

# Our Partnership

**MacArthur has supported arts and culture organizations in Chicago for more than 40 years.**

MacArthur and Field are committed to fostering equity and will continue to support small and mid-sized arts organizations.

# Looking Ahead

**The ART program with Field will be a multimillion-dollar investment in Chicago's arts and culture sector made by MacArthur as part of its Culture, Equity, and the Arts program.**

- MacArthur will continue to support small and mid-sized arts and culture organizations with multi-year unrestricted funding.
- Field will regrant MacArthur funds through the ART program to organizations with budgets of less than \$1 million.
- Organizations with annual budgets of \$1 million and above may apply directly to MacArthur's CEA program: [www.macfound.org/programs/arts](http://www.macfound.org/programs/arts)
