

# Media & Storytelling Grants

## What do we fund in Media & Storytelling?

Our goal is to create more just and inclusive narratives about Chicago that foster policy change; amplify the voices and impact of ALAANA journalists, media and storytellers in the local media landscape, and support more reporting and storytelling by traditional and alternative journalism platforms about the roots causes of the city's inequities.

Field supports both non-profit and for-profit entities.

### Media & Storytelling Areas

- Television News
- News Radio
